

Procter & Gamble

Procter & Gamble is one of the leading consumer goods companies with 109,000 employees worldwide and sales of US\$ 82.0 billion. Founded 187 years ago as a soap and candle start-up, P&G is now a leading consumer products company. We stand for iconic and trusted brands that touch up to 5 billion consumers worldwide and make life a little better every day in small but meaningful ways. We focus on ten product categories with around 65 brands, where we can fully leverage our core competencies – ...

Touching lives, improving life.
